

### **Cormorant in Snow**

icy snow sparkles  
cormorant takes flight, black, white  
snowflakes dust open wings

### **Carp in Waterfall**

crashing waterfall  
carp gliding reflects sunlight  
sparkling music

### **Azaleas and Cuckoo**

color of pink blooms  
bird sounds echo, hammering  
fill up sight and sound

### **Peonies and Butterfly**

wind flutters flowers  
butterfly touches petals  
sights, sounds, nature's life

### **Frog on Old Tile**

pond, windy water  
moving reeds, lilies, frog hops  
green on old tile edge
